WINDOW COVERINGS

Venetians Woods Range

features and benefits

Durability

Resists cracking, fading and peeling. Manually operated products have been cycle tested to ensure longevity.

Energy Benefits

COUNTRY WOODS® Venetians and BEYOND WOODS® Blinds can be connected to building management systems for optimal control of air conditioning loads and comfort of the building occupants.

Unique Features

BEYOND WOODS® Blinds are one of the most realistic 'wood look' and are impervious to water, ideal for wet areas.

Specialty Shapes

COUNTRY WOODS® Venetians and BEYOND WOODS® Blinds offer a variety of fixed and operating shapes. Fixed shapes can be combined with operating blinds.
